# >>Welcome to the ISP!<<

Get innovative,  
hands-on study  
opportunities designed  
to both enhance your  
academic experience  
and build your resume,  
extend your network,  
and give you a unique  
international set of  
skills in your field of  
study.

## EXPENSES

Since this is a program for students from partner universities, you only pay the costs for the ISP service package.

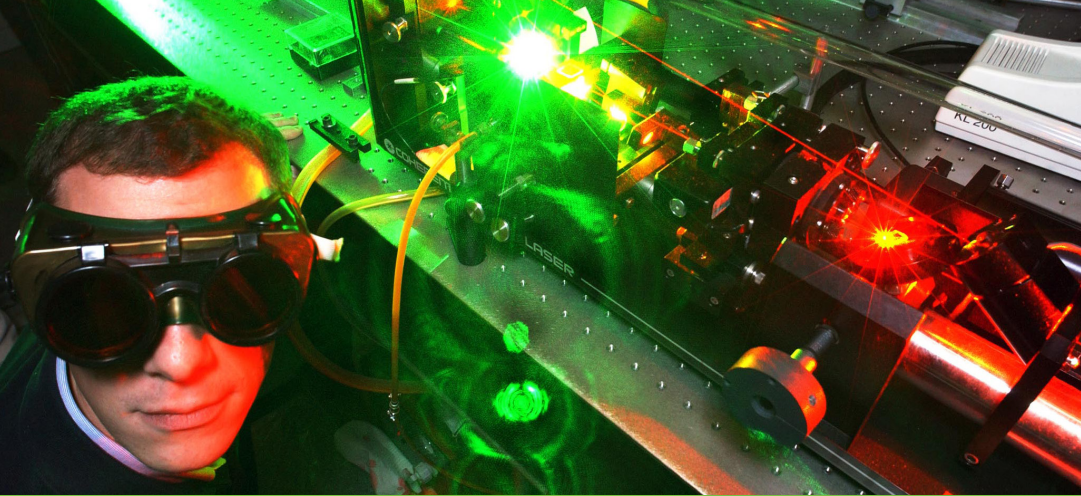

Academic and language courses are covered through the exchange agreement between your home university and TU Dortmund University and the tuition you are paying there.

The service package at the price of 1,950 EUR includes the following benefits:

- Accommodation (3 June – 6 August 2021)
- Health insurance (3 June – 6 August 2021)
- Public transport ticket (for the whole state of NRW)
- Cultural program and excursions
- Pick-up service from Dortmund's central train station

## Application & Deadline

You may apply between 10 December 2020 and 15 February 2021 on [summerprogram.tu-dortmund.de](https://summerprogram.tu-dortmund.de). As a student from a partner university, you need to be registered at your own university and to be nominated by your study abroad coordinator via e-mail.

## TRACK A: ENGINEERING

This track is designed for students from partner universities in their third or fourth year. It is also suitable for graduate students.

You will get hands-on project work to gain practical experience. You can select from a catalogue of courses in the following fields:

- Applied Mathematics
- Automation & Robotics
- Biochemical & Chemic Engineering
- Computer Science

Your course selection is complemented by two mandatory courses in German language and culture. A research project in addition to or instead of the regular ISP is possible.

## TRACK B: GERMAN & EUROPEAN STUDIES

This track is offered to American and other international students from partner universities interested in German language, literature and culture in European and global contexts.

In the cultural studies classes, you will join German students in order to explore new developments in German and European culture from different points of view.

If you are interested in a special academic topic, you will be assisted in independent study projects by professors and specialists from different fields.

Your course selection is complemented by two mandatory courses in German language and culture.

## TRACK C: ENTREPRENEURSHIP \*NEW\*

This track is designed for international and Dortmund students who are interested in international business issues and understanding how to cope with current problems on global markets.

You can select from a catalogue of courses in the following fields:

Your course selection is complemented by two mandatory courses in German language and culture. If you want to work on a specific topic in more detail, there is the opportunity to do a research project.
