

Innovation Internship

Helping companies accelerate innovation through entrepreneurial talent

A **structured internship program** that connects **top interdisciplinary student talent** with **real-world innovation challenges**—co-designed with corporate partners to deliver both **immediate impact** and **long-term results**.

*This isn't a typical internship: it's a **talent accelerator** for companies and a **career launchpad** for students.*

Why Hire Lehigh Interns?

Lehigh University: A top-ranked institution recognized for academic excellence and hands-on, high-achieving students.

Entrepreneurial Mindset: Lehigh interns are ambitious problem-solvers who think creatively, act entrepreneurially, and drive innovation.

Interdisciplinary Talent: Students represent diverse majors—from Business and Engineering to Arts, Health, and Education—bringing fresh, cross-disciplinary perspectives.

Proven Track Record: Over 500 interns matched with 150+ companies; 90% of hosts return, citing meaningful impact and business outcomes.

Bicoastal Footprint: With a strong West Coast hub in Silicon Valley, Lehigh connects students and partners directly to the global hub of innovation.

How We Maximize Value

Pre-vet intern talent for program (application + interview)

Identify company innovation challenges

Scope projects + match interns aligned to company goals

Facilitate onboarding and ongoing support

Peer learning community for intern managers

Measure and report outcomes

Feedback loops for both intern and company
