

GLOBAL PUBLIC HEALTH

VIRTUAL SHORT COURSE

A comprehensive outlook on Public Health from global experts.

Join this FREE virtual, four-week short course to gain insight into the field of Public Health with a global perspective. You will be part of a global virtual classroom amongst peers from around the world. Designed for graduate and professional students or undergraduates in their final year of study, the Global Public Health (GPH) short course is perfect for those who desire to enter the Public Health field.

Each 90-minute session will cover a current global public health topic and will be taught by a public health leader or expert faculty from across the globe.

Classes will be held on
Wednesdays and Thursdays from
8:30 - 10am EST
May 18 - June 2, 2022

Upon successfully completing the short course, students will receive a certificate of completion from the University of Cincinnati.

Detailed course information is available at
bit.ly/UCGPH22
